“Be Here. Be Heard. Be You.”

“One of the best days of staff training I’ve ever experienced in a business career spanning over 40 years.”

*Randal Charlton
Executive Director
TechTown, Detroit*

“Eleni simply ROCKED at the NSA Michigan meeting. She held the entire audience in the palm of her hand during her opening story, and kept everyone engaged throughout her session as she tied together the essentials to fabulous presence—tools that both our aspiring speakers and those of us who are established can put to immediate use.”

*Marilyn Suttle
Past President NSA MI*

“Your seminar was, by far, one of the best received classes we have ever held in our facility. All the attendees specifically asked us to run this class again and felt it should be a requirement for anyone who gives presentations as part of their job.”

*Roxanne Shepherd
Training Specialist
Borg Warner Automotive*

About Eleni Kelakos

Eleni Kelakos is fueled by a passion for performing, and a desire to move, motivate and inspire others to stand out, be heard and move forward in their lives and careers. A dynamic and inspiring public speaker and executive speech coach, with a seasoned performer's flair and skill, Eleni embodies the essence of her teachings -- to be passionately present --whether she is performing her TOUCH THE SKY! musical motivational keynote to corporate groups, facilitating presentation skills trainings or working one-on-one with a client in a coaching or consulting session.

Eleni completed a double major in Theatre Arts and Semiotics from Brown University, and worked for over twenty years as a professional actress of the stage and screen in New York City and Los Angeles. She is also a nationally touring singer-songwriter with four acclaimed CDs, recorded and released on her own label, EEK! Records.

As president and CCC ("Chief Confidence Catalyst ") of The Eleni Group, established in 2003, Eleni uses her vast performing experience, as well as tried-and-true acting tools and techniques, to help business leaders make their speeches, presentations, and verbal communications with colleagues and customers, come to vibrant, powerful life. Satisfied clients include **NovoNordisk Pharmaceuticals, General Motors, Holcim Inc., Borg-Warner Automotive, LEAP, Adaptive Materials, Inc. AeroStrategy, Munder Capital, McKinley Realtors and Comerica Bank.** Eleni's BE HERE AND BE HEARD Public Speaking Skills workshop is part of the regular curriculum at **Tech-Town** in Detroit, and **LEAP** in Lansing, where she helps resident entrepreneurs deliver their pitches with focus, confidence and impact.

When she's not helping others speak, Eleni travels the country as a speaker. Her motivational keynote programs (TOUCH THE SKY, a powerful and entertaining combination of original songs and stories, STOP PLAYING SMALL: Leading Out as a Woman of Power in Body, Word and Deed) and BE HERE AND BE HEARD: Think Like an Actor, Speak Like a Pro), were born out of Eleni's desire to synthesize her love of performing with her mission to encourage people to celebrate and unleash their uniqueness and potential in their work, their lives and on the speaking platform.

Eleni is Immediate Past President of the National Speakers Association of Michigan, and a card-carrying member of the Screen Actors Guild, Actors Equity Association and the Association of Television and Radio Artists.
